---

Franco Muschi is partner of the Labor Department at Garrigues, where he leads the practice of the labour department. He also provides advice on social security matters, health and safety at workplace policies, collective bargaining agreements, immigration and data privacy.

He usually leads legal strategies and complex judicial controversies, and provides advice on collective agreements, with specific experience in the financial sector, mining, industries and tec companies. Is an expert in litigation and has long experience acting as lawyer in court proceedings before all the Labour judicial and administrative bodies

Degree in Law and Political Sciences at Universidad de Lima and LL.M. by Centro de Estudios Garrigues. His professional practice is frequently recognized by Chambers & Partners and Leaders League.

### Experience

Prior to Garrigues, he was an associate at Payet, Rey, Cauvi labor department (2004 - 2014) with an international secondment at Uría Menendez (Madrid, 2009).

He is an expert advising Peruvian and foreign companies related with hiring schemes, salary and compensation structures, complex termination procedures of national and foreign employees, health and safety at workplace policies, and labor matters related with corporate transactions as M&A and other reorganization and outsourcing procedures.

As an important aspect of his professional practice, he frequently represents clients on labour controversies before administrative and judicial authorities.

## Academic background
