Tax

Manuel Llaca is a tax attorney and an expert in tax litigation. Manuel is also an expert in risk prevention and tax litigation. He has reached multiple agreements applying alternative means of dispute resolution, such as the conclusive agreement, the mutual agreement procedure (MAP's), the advance pricing agreements (APA's) and in the contentious field he has litigated cases that have resulted in the issuance of precedents and jurisprudences that have favored companies from different industries in Mexico.

Experience

Manuel Llaca is currently a partner of Garrigues specialized in Tax Litigation and Tax Controversy and Dispute Resolution.

Until April 2019, Manuel was the partner in charge of the legal practice in KPMG México.

Manuel has 25 years of experience providing tax and legal advice to multinational enterprises and groups, specifically in tax litigation and tax controversy and dispute resolution.

His experience includes tax/legal and corporate advice, tax litigation and tax dispute resolution and he has advised multinational enterprises and groups in broad range of industries, such as: pharmaceutical, automotive, manufacturing, mining, aerospace, consumer products, construction, entertainment, industrial products, tourism and telecommunications.
