Tax

Real Estate

Family Business

Javier Calatayud is the partner in charge of the Tax Law Department of Garrigues in the Valencia office. He has more than twenty years of experience providing tax advisory services to family businesses and multinational groups, and has extensive experience in taxation in the areas of M&A, private equity (from the perspective of both investors and management companies), corporate restructuring, shareholder exits and real estate. He also advises several family offices. Javier holds a degree in Business Administration (with final-year academic excellence award) from Universidad de Valencia.

Experience

Javier Calatayud joined the firm in 2002, after almost two years spent in the audit department of Arthur Andersen. Since then, he has pursued his entire professional career at Garrigues, where he achieved the category of partner in 2014.

Academic background

- Degree in Business Administration (2001) from Universidad de Valencia, receiving a final-year academic excellence award.
- Degree in Law (2002) from Universidad de Valencia.
- Executive Development Program "15x15". EDEM (2017).

Teaching activity

Since 2020, he has been the lecturer of the tax module of the EDEM Family Business program.

Throughout his career, he has participated as a speaker at numerous courses and seminars related to taxation, organized by both Garrigues and by third parties (Fundación Universidad Empresa, Centro de Estudios Financieros, Valencia Economists' Association,

Valencia Bar Association, Universidad Europea de Madrid, AIDICO, Asociación de Promotores de Valencia, Observatorio Valenciano de la Vivienda, etc.).

Memberships

- Valencia Bar Association (ICAV) - Member no. 13943. Member of the Tax Law panel (from 2013 to 2017).
- Valencia Economists' Association (COEV) - Member no. 8.107.

Distinctions

He is included in the Best Lawyers directory in the Tax-Valencia category.
