Tax

Jose Julian Martinez is a senior associate in the Tax Law Department at Garrigues. He is a specialist in indirect taxes and local taxes, with extensive experience in providing recurring advice on general tax matters, as well as in advising on relations with the tax authorities. He is a double graduate in Law and Business Administration from the University of Murcia, and holds a Master's Degree in Tax Consultancy from the ENAE Business School and a Master's Degree in Legal Practice from the UDIMA.

Experience

José Julián Martínez has been a senior associate in Garrigues' Tax Law Department since 2023, having joined the firm in 2014. In his professional activity, he has provided ongoing advice to companies in various sectors on a range of matters: corporate tax, VAT, personal income tax, withholdings, local taxes, etc.

Academic background
