Corporate and M&A

Dispute Resolution: Litigation and Arbitration

Concepción Ramírez Páyer is senior associate in the Commercial Law department of Garrigues.

She specializes in the areas of Corporate, Commercial and Contractual Law.

She provides recurring advice on corporate law to companies and business groups, acting as board secretary at some of them.

She also has extensive experience in litigation.

Experience

Concepción Ramírez Páyer has incorporated to Garrigues in 2008 and advises, among others, on Corporate Law, Commercial Contracts and Mergers & Acquisitions.

She specializes in commercial law, particularly in the area of corporate and contractual law. She has extensive experience in M&A deals, including acquisitions of assets and shares, mergers and other corporate restructuring transactions, as well as in investment and shareholder agreements.

She has also advised companies on different debt refinancing processes and has experience in civil and corporate proceedings and arbitration.

Academic background

Degree in Law, Universidad de Oviedo.

Master's Degree in Laws, Instituto de Empresa (IE).

Teaching activity

She has lectured in corporate law at Universidad de Oviedo, Innove Institute Business School and at another institutions and business associations, including the Asturian Federation of Entrepreneurs (FADE) and the Oviedo Chamber of Commerce.

Memberships

Member of the Gijón and Oviedo Bar Associations.
