EU and Antitrust Law

Administrative and Constitutional Law

Planning, Zoning and Environment

Lluís Cases has a high level of expertise in public law, planning and zoning, and antitrust matters. He is the partner in charge of the department at the Barcelona office. He has recently taken on the leadership of the Garrigues Smart City Group. He is named in the main publications of reference as an expert on these areas.

He is a regular speaker at specialist seminars organized, among others, by the Barcelona Bar Association, Universidad Pompeu Fabra, the Associació de Promotors i Constructors d'Edificis, Universidad Internacional Menéndez y Pelayo, Universidad Carlos III, Universidad Complutense de Madrid, Federació de Municipis de Catalunya, Associació de Municipis de Catalunya, Esade, Universidad de Barcelona, the Cataluña Economists' Association and the Smart City Congress.

Experience

He has extensive experience in the drafting and legal defense of partial and special planning and zoning management instruments for the public administration and the private sector.

He is a regular speaker at specialist seminars organized, among others, by the Barcelona Bar Association, Universidad Pompeu Fabra, the Associació de Promotors i Constructors d'Edificis, Universidad Internacional Menéndez y Pelayo, Universidad Carlos III, Universidad Complutense de Madrid, Federació de Municipis de Catalunya, Associació de Municipis de Catalunya, Esade, Universidad de Barcelona, the Cataluña Economists' Association and the Smart City Congress.

He was a member of the Committee of Experts for the study and diagnosis of the state of public procurement, set up by the Ministry of Finance in 2004.

He was called up by the Lower House of the Spanish Parliament as an expert on the process for approval of the Antitrust Law. He was called up by the Catalan Parliament as a public procurement expert in 2005.

Member of the “Social Cohesion/zoning” Strategy Subcommittee for the drafting of the Barcelona Metropolitan Strategic Plan.
