Ulises Patiño is a senior associate in the Mexico City office of Garrigues.

Experience

He has experience advising corporate borrowers, financial institutions and other corporate lenders in a wide range of transactions, including bridge financings, syndicated loans, refinancing and other secured and unsecured lending transactions. His practice includes advising clients in the structuring and negotiation of debt, collateral, inter-creditor documentation and on various issues of commercial law.

Additionally, his experience includes participation in complex domestic and cross-border mergers, acquisitions, reorganizations, joint ventures, investments, and other general corporate matters.

Prior to joining Garrigues, Ulises worked for at a prominent international law firm.

Academic background

He graduated from:

- Universidad Iberoamericana (2014) and is a licensed lawyer in Mexico.
- Queen Mary University of London (2023) LL.M. Banking and Finance Law.
